

The banking associations of Liechtenstein and Andorra share their experiences

The General Manager of the Association of Andorran Banks (ABA), Esther Puigcercós, and the director of the Liechtenstein Bankers Association, Simon Tribelhorn, met during the seminar organised by the Ministry of Foreign Affairs “Liechtenstein: a successful model of participation in the European single market from an economic perspective”.

The meeting allowed an exchange of experiences and future challenges faced by non-EU member states such as Andorra and Liechtenstein in an environment of strong banking regulation.
